STATEMENT OF PRINCIPLE ALLOWING THE MEDICAL USE OF MARIJUANA

“Licensed medical practitioners should not be punished for recommending the medical use of marijuana to seriously ill people, and seriously ill people should not be subject to criminal sanctions for using marijuana if the patients’ medical professionals have told them that such use is likely to be beneficial.”

The Marijuana Policy Project (MPP) is working to protect patients from arrest and jail for using medical marijuana with their doctors’ advice.

Please fold back at dashed line below and match up dashed line with the top of the page, then tape closed so that only the envelope information is visible on the outside.
