2008 Legislative Questionnaire: Medical Marijuana Patient Protection

Candidate's name: THOMAS P. MORAHAN Senate District: 38TH

1. Do you support eliminating criminal penalties for the doctor-advised, medical use of marijuana by patients with severe, debilitating or life-threatening medical conditions?

- Yes
- No
- Unsure

Comments: If science indicates that this is helpful in the treatment of chronic, severe + life threatening medical conditions, I am in favor of eliminating criminal penalties.

2. All 12 current state medical marijuana laws allow patients to cultivate medical marijuana so that they do not have to obtain their medicine on the streets. Do you support allowing state-registered patients to cultivate a limited amount of medical marijuana, if their doctors recommend medical marijuana and they have severe, debilitating or life-threatening medical conditions?

- Yes
- No
- Unsure

Comments: _____

3. Do you support allowing state-registered patients to possess a limited but adequate supply of medical marijuana, if their doctors recommend medical marijuana and they have severe, debilitating or life-threatening medical conditions?

- Yes
- No
- Unsure

Comments: _____

Do you agree that states have the right to remove their criminal penalties from medical marijuana, as 12 states have already done, ~~and do you think federal law must be changed before New York state can enact~~ medical marijuana legislation?

- States can act now New York must wait until federal law changes Unsure
